Dear Mr. Santuccio:

On July 16, 2003, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of Main Street Automotive (Main Street Auto). The purpose of the inspection was to determine Main Street Auto's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Main Street Auto was issued Letter of Deficiency No. WMD 03-20 (LOD). Based upon a review of Main Street Auto's submittals, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Main Street Auto's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Robert Bishop, or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
